"IS THE EMPTY SHOWCASE
THE REAL MYSTERY?"

"Vamos ao museu, olhamos para os quadros, achamo-los bonitos, ou não, e pronto, voltamos para casa, esquecemo-los. Gostaria de vos pedir que procurassem 40 fragmentos de quadros. Se os encontrarem, é porque viram, escrutinaram, compreenderam realmente a sombra e a luz, transcenderam a matéria e abriram a porta dos mistérios do imaginário. Ver é compreender."

"You go to the museum, you look at paintings, you either find them beautiful or not so beautiful and then it's over, you go home and all is forgotten. I would like to ask you to search for 40 different fragments of paintings. If you manage to find them, it's because you have really looked, scrutinized, understood the shadow and the light, transcended matter and opened the door to the mysteries of the imagination. To see is to understand."
