“Preferi escolher obras, porventura, menos conhecidas, o que não é fácil, dado o grande volume de peças de enorme beleza e qualidade que compõem as coleções. Fico feliz em poder contribuir para uma maior e melhor divulgação desta instituição, que merece não só ser conhecida como crescer em espaço e na expansão da sua importante missão.”

“I have opted for works which are perhaps less well-known, which is not an easy task, given the large number of extremely beautiful artworks of excellent quality which are held in the collections. I am happy to be able to assist in enhancing the promotion of this institution, which deserves not only to be known but also to grow in size and scope as part of its important mission.”
