"Perante esta iniciativa muito especial, apresento um roteiro com as peças que mais me falaram. Englobando obras de beleza incontornável e de extraordinário ofício, as peças escolhidas vão mais além do que se vê, facilmente dialogam connosco e nos transmitem mensagens. Um percurso de encanto inerente onde pretendo partilhar um significado mais pessoal. A impressionante herança portuguesa aqui transposta em importantes peças, que podem ser fonte de inspiração e ponte entre a história portuguesa e futuros trabalhos contemporâneos e conceptuais."

"In light of this very special initiative, I am pleased to present an itinerary with the pieces which have spoken to me the most. Encompassing works of ineluctable beauty and extraordinary workmanship, the chosen pieces go beyond what can be seen on the surface, talking to us and transmitting messages with ease. It is a journey of inherent charm in which I hope to share a more personal meaning. Impressive Portuguese heritage is transposed here in important pieces, which can be a source of inspiration and a bridge between Portuguese history and future contemporary and conceptual works."
